## **DETAILED ACTION**

### ***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 02/20/2008 has been entered.

### ***Remark***

2. There was no claim 31. Pending claims are claims 1-30 and 32-37 for reconsideration.

### ***Information Disclosure Statement***

3. The information disclosure statement (IDS) submitted on 02/20/08 was filed on or after the mailing date of the RCE on 02/20/08. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

### ***Allowable Subject Matter***

4. Claims 1-30 and 32-37 have been allowed.

***Reasons for Allowance***

5. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to teach or suggest a system for processing an input signal comprising a signal processing subsystem, a predistortion subsystem receiving at least two internal input signals and producing at least two predistortion signals by applying a deliberate predistortion to the at least two internal input signals, wherein the distortion subsystem distorts the internal input signals to compensate the distortions in the system output signal; decomposing the input signal into separate components to produce at least two internal input signals, each of said separate components being processed separately; and then combining the predistorted signals after processing to produce the system output signal as cited in claims 1 and 32, similarly with its corresponding method in claim 12.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

6. **Any response to this action should be mailed to:**
